Reference Letter for Ms Nadiia Kamenska

Ms Nadiia Kamenska, born 13 October 1978, worked from 05 October 2017 until 30 June 2021 with our company as QA Engineer.

Finiata is a European Financial Technology growth company providing access to liquidity to small businesses and eliminating Cash Flow issues.

Among the main tasks and responsibilities of Ms Kamenska were:

- Test Automation
- Manual & exploratory testing
- Support on solving incidents
- Build and maintain test data
- Evaluate tools and frameworks

Ms Kamenska possesses extensive professional experience and comprehensive as well as multi-faceted specialist knowledge, which extends beyond the mainstream, and which she was always able to apply confidently and expertly in practice. Because of her very good comprehension, she was always able to understand complex situations immediately and to find very good solutions right away.

Among Ms. Kamenska's capabilities, it should be noted her good skills for providing a holistic system view, as well as her knowledge of quality engineering theory. During her time in the company, Ms. Kamenska achieved some remarkable goals, like assimilating and maintaining automation testing tools and frameworks, gaining broad and deep product knowledge and, proactively bringing attention of team members and management to quality issues.

Ms Kamenska dedicated herself in an exemplary way to our company, displaying her very high level of motivation. She completed all her tasks commendably, even under the most difficult working conditions and under extreme time pressure.

Ms Kamenska completed all her tasks completely autonomously, with much diligence and according to a well thought out plan. She always worked serenely, thoughtfully, target-oriented and extremely precisely. Ms Kamenska continuously impressed us particularly in terms of quality and quantity of her work. Trustworthiness and absolute reliability characterised her work ethic at all times.

Even when faced with most complex problems, Ms Kamenska always found very effective solutions which she was able to implement successfully and thus always achieved excellent work results. She was an exceptional employee in every way, and we were always extremely satisfied with her performance.

Due to her always friendly and well-balanced demeanour, Ms Kamenska was well-regarded by those around her. She enjoyed the complete trust of all superiors, colleagues and clients. Her personal conduct was always exemplary.

Ms Kamenska is leaving our company on 30 June 2021 on her own accord much to our regret. We would like to thank her for the consistently very good work and wish her all the best and much success in her professional and personal future.
