Reference Letter

Ms.Nadiia Kamenska, born on October 13th 1978, has been employed by us as Lead Quality Assurance Engineer in the Engineering area since July 1st 2021 until March 31st 2022.

All About Me GmbH, based in Berlin and founded in 2021, develops digital products for the prevention and treatment of mental disorders.

As an employee in the Engineering team, Ms. Kamenska performs the following activities:

- Working with Product and Development teams for the requirements analysis
- Driving continuous process improvements to increase the efficiency of the QA team
- Leading QA team of 3 people
- Creating user stories based on the requirements
- Setting up test automation pipelines (CircleCI)
- Creating the framework for e2e tests automation (TestCafe)

Ms. Kamenska possesses outstanding expertise, which she has always deepened and expanded on her own initiative. Due to her profound expertise, she is a very sought-after advisor in the company and helps with her ideas across departments to find optimal solutions to a wide variety of issues. She always shows great initiative and a very high level of commitment, even beyond the usual working hours. She often has very good new ideas and works carefully, purposefully and with the greatest success on their implementation. Ms. Kamenska has a very sure sense of what is important at all times, sets priorities thoughtfully and always works extremely purposefully, methodically and very conscientiously. She is an extremely efficient employee whose excellent work results are always convincing in terms of both quality and quantity. She always significantly exceeds the goals set for her and always delivers outstanding performance in the completion of her tasks. Even in situations with an extremely high workload, Ms. Kamenska proves to be a very resilient employee and proceeds in a considered, calm and goal-oriented manner at all times. Her open-minded, friendly and helpful nature brings her recognition and great appreciation from superiors and employees everywhere.

Unfortunately, we have to terminate the employment relationship with Ms. Nadiia Kamenska due to the closure of our company as of March 31st 2022.

We thank Ms. Kamenska for the always very good cooperation and wish her all the best and continued success for her future career and life.

Berlin, December 21st 2021
